

## **DOWSBOROUGH LCN – HIGHWAYS WORKING GROUP**

**Tuesday 10<sup>th</sup> March 2026, 10.00 am – 12.00 pm**

**Stogursey Youth Club,  
Next to the Victory Hall, Stogursey**

### **AGENDA**

**1.** Welcome and introductions

Apologies: J Addison, Cannington.

**2.** Notes from previous meeting, January 2026 (previously circulated – please bring own copy if possible) to be agreed.

Please note that in the January 2026 notes and actions, Water Lane is in Aley in Over Stowey, not Holford

**3.** Matters arising and actions from previous meeting (See action log from Jan '26)

**4.** Highways Concerns previously submitted or carried over from last meeting;

Wembdon: Is Waldrons Lane Perry Green on the list for resurfacing and when?

Otterhampton:

- a) Over the Christmas period there were a number of accidents just outside the village of Comwich, resulting in injury and sadly the death of a pet dog. The C182 appears to have a large number of accidents; what are the Council doing to monitor this and do they have any plans in place to prevent any further accidents happening?
- b) The speed of vehicles along the C182, particularly along Dame Withycombe Hill has been of concern for sometime by the Councillors and parishoners. This has an impact on vehicles turning in and out of the village along with the residents who live in Dame Withycombe villas, many of whom are elderly, as they are literally taking their life into their own hands trying to cross the road to get into their village. Would the Council consider putting speed reduction measures in place?
- c) Some of the Councillors are keen to introduce a 20mph within the village, could you please advise?
- d) Due to a recent accident at Biffens corner the fingerpost sign has been damaged, could it be confirmed that this will be renewed/repared?

**5.** Update from Highways Officers – significant work plans for coming year in the Dowsborough area and also into Bridgwater.

**6.** Any other business

**7.** Date, time and venue of next meeting
